

License table for Microsoft Action Pack

LAST UPDATED: SEPTEMBER 2022

The information in this document is intended to help partners understand the product licenses included in Microsoft Action Pack Subscription (Action Pack) and the Learning Action Pack.

The content herein is being provided solely for discussion and general information purposes. Program information herein is subject to change and should not be interpreted as an offer, endorsement, guarantee, commitment or any other type of representation on the part of Microsoft. All decisions pertaining and related to your business needs including but not limited to strategies, solutions, partner selection, implementation, etc. rests solely with your business. Be sure to review the benefits information in Partner Center before paying the annual fee. Partners must comply with the use terms and policies regarding benefits and license use rights and limitations about each software product or online service as outlined in the Microsoft Cloud Partner Program Terms of Participation Guide. For more information, refer to the links below.
