

Enhancement Plan for Microsoft Dynamics customers

Get top value from your solution, protect your investment, and keep employees informed

Your Microsoft Dynamics Enhancement Plan service plan is what you need to stay compliant, competitive, and thrive in today's highly complex global business environment. It can also help you to prepare for the future as your company may wish to consider transitioning from your current on-premises Dynamics solution to Microsoft Dynamics 365. Microsoft Dynamics 365 enables organizations to monitor the performance in real time, predict future outcomes, and make data-driven decisions to drive growth.

The Enhancement Plan for Microsoft Dynamics customers helps you get the most from your investment. Read on for details about Enhancement Plan benefits, as well as contact information to help you stay connected.

Benefits at a glance

New version rights, hotfixes, service packs and regulatory releases

Self-support tools available through CustomerSource

Enhancement Plan

Benefits	Features
<p>Get Maximum Solution Value</p> <p>Stay ahead with new version rights, updates, hotfixes, and regulatory updates.</p>	<ol style="list-style-type: none"> 1. New version rights: Stay ahead of technology advances through new version rights and updates. Increase your organization's speed, performance, and productivity. 2. Updates and tax and regulatory releases: Help ensure the ongoing value of your Microsoft Dynamics solution by staying up-to-date and running at peak performance with service packs and hotfixes available through the Mainstream or Modern Support phase. You will also have access to new government regulatory and tax documents, and updates to help your organization stay legally compliant.
<p>Get Fast, Self-Directed Issue Resolution</p> <p>Gain access to CustomerSource, a centralized resource for self-directed support and tips, community-based learning, expertise, and services.</p>	<ol style="list-style-type: none"> 3. Access to CustomerSource: Drive user adoption and help employees boost productivity by accessing tools and resources 24 hours a day through this unique, online portal designed specifically for our customers. Take advantage of self-directed support, easy access to Knowledge Base, and troubleshooting steps to help you solve issues quickly, unleash new functionality, and improve business processes. 4. Microsoft Dynamics Community: Exchange ideas, ask questions, and discuss solutions with your peers. Take advantage of the tens of thousands of technical articles written by Microsoft Dynamics support engineers, or purchase direct, one-on-one traditional incident support from Microsoft experts.
