Microsoft Tech for Social Impact Partner Survey

The Tech for Social Impact (TSI) team wants to hear from you so we can provide better support for our partners selling Microsoft Azure to nonprofits.

What support or resources do you need to sell Azure? [Take the survey now!](#)

We plan to use your feedback to enhance collaboration and support to accelerate nonprofit mission outcomes with Azure.

Microsoft TSI Survey: Partner Azure sales to nonprofit organizations

This survey aims to gather information about your experience with Azure.

We also want to understand what support or resources you need to confidently sell Azure. We're grateful for your valuable input, and we aim to use your feedback to enhance collaboration and support for accelerating nonprofits' mission outcomes with Azure as a cloud platform of choice.

Thank you partners!

The nonprofit industry – perhaps more than any other in Microsoft – is powered and led by partners.

Reaching these organizations is just the beginning – deploying technology, customer success, and mission impact is the work that you do every day, and it IS the critical last mile.

We appreciate you.
